E-mail address	

1. Experience of the company:

The company has to describe 5 similar contracts (concerning White Cell/Simulation Press: exercise support in influence operation – comprehensive approach, SKOLKAN Scenario, JEMM, MEL MIL process, experience in SJOs)

	Experience 1	Experience 2	Experience 3	Experience 4	Experience 5
Client					
Date (year)					
Place of execution					
Amount of the contract in €, inclusive of all taxes					
Name of the exercise					
Description of the executed services					

All the aforementioned provided data should be accompanied from the relevant performed contracts.

2. Evaluation of assigned staff experience

For each role, the applicant must suggest two experts (NRDC-GREECE **will not accept the same Role Players** being on different bids, from different companies).

Role players may have multiple roles.

Curriculum vitae have to be jointed for each suggested expert. These curriculum vitae should be updated and validated for the concerning use from the bidding company. The aim of this action is notably to ensure that the personnel of the applicant have a good experience and the expertise in the maximum of fields. A particular emphasis will be put on the chief of WHITE CELL who has to have a strong experience in international military operations.

In terms of White Cell/Simulation Press broad expectations, the key aspect is **relevant experiences (up to 4 as maximum) related to NATO crisis response planning, supporting and conducting the civilian participation in NATO exercise process.**
