- c. Also an official announcement was uploaded to the site of NRDC-GR.
- d. Out of all the above stated companies, bid proposals were received only from PAPADOPOULOS TOURS.

2. Detailed Evaluation

The bidding financial offer received is depicted at the attached ACO Form 14.

2.1 Evaluation Strategy

The evaluation was focused on the information provided by the bidder, under the scope of cost/price, keeping in mind the most financially profitable solution for NRDC-GR. Due to the low demonstration of interest after the six days extension of the bid closing date, CAC compared the unique cost/price with those submitted the previous year.

2.2 Price Analysis

The bidding data/proposals received are summarized in the attached ACO Form 14. CAC analyzed the above data in accordance with the estimated number of routes and busses that will be needed for the completion of services. Only firm "PAPADOPOULOS TOURS" submitted a price/proposal.

3. Recommendation

Regarding the information stated above, it is recommended to award the contract on the bid submitted by "PAPADOPOULOS TOURS", which, taking under consideration previous years prices, has proposed a reasonable solution to NRDC-GR.

4. **CAC Decision**

The CAC unanimously decided to award the contract regarding IFB G8-14-06 to the firm "PAPADOPOULOS TOURS".

The undersigned approved the Recommendation Award.
